All Hyundai drivers in the club can feel reassured. Former club secretary Sue McCready has recently tested the torsional stiffness of these vehicles, employing the fairly low tech testing method of driving the vehicle off the driveway. Are the cars in the background still to be tested?

**PRESIDENT'S REPORT JULY '07**

Trevor Barson has just run another very successful V.C.A.S round at Maffra. One Hundred and sixteen entries, I believe, and everybody got 6 runs in. Fantastic effort Trevor! Results for all P.A.C. members who competed are included in this edition.

Also included are the Supp. Regs. for the Motorkhana at Tooradin on the 8<sup>th</sup> of July. You will notice there is a significant cost penalty for entering on the day of the event, so please grab the entry form, fill it in and send it back to Drouin along with the money. It makes the event so much easier to organize if we don't have to deal with entries on the day, as well as saving you a lot of money.

You will also notice we are running a "come and try" event for juniors prior to the motorkhana. If you know of anyone who is interested in having a go at Motorsport tell them to give John Carney a call to register for this.

Don't forget this month's general meeting is at Melbourne City Toyota premises in Elizabeth Street, as it happens it falls in the school holidays so you can bring the kids along too!

Bill Claessen, who was editor, apologized for the late newsletter due to wedding plans. In the Gippsland Trial Series round 3 P.A.C. had 25% of the field. Tony Pisa and Len Hill came 1<sup>st</sup> in Grade 4 with Peter and Phil Glasson 2<sup>nd</sup>. John Hill navigated (and went URRRCH!!!) for Geoff Wiadrowski. Earlier in the month John Hill came 9<sup>th</sup> in a race at Sandown using John Carneys Capri. This wasn't bad considering there was a spin in there as well.
