Events marked * will count towards club point scores.

Sunday Coffee: Some members gather for an informal meeting on Sunday mornings at Lakeside Pakenham at approx. 8.00a.m.

Good chance to take your club permitted car for a run, just make sure you shove this copy of "Oil Rag" in the glove box.

PRESIDENT'S REPORT

We had a most successful working-bee a couple of weeks ago. Good attendance, plenty of useful equipment and got lots done. If you missed that working-bee watch out for the next one. Now we have a home – for a year at least – we will have to spend some time looking after it. Hopefully we will get enough volunteers at working-bees, other wise we will have to resort to a roster or extra fee added to memberships. Working-bees can be a good opportunity to get to know other club members or the parents of other juniors and to show some pride in the club that you belong to. It is most important that we, as a club, be seen to be making good use of this facility and to be acting as responsible citizens and caring for our facility so that it becomes an area that the wider community is proud to have in their shire. Please offer to help at the next working-bee

We will be running regular Motorkhanas and come-and-try-days at the McGregor Rd site. John Hill is the PAC representative communicating with Council about the ground. John gives updates at club meetings and answers questions from members, so if you want to have a say in the club's future, come to the next club meeting.

Our members continue to perform well away from home – at autocross events and of course rallying. Congratulations to those members who are collecting awards.

I am looking forward to seeing more members at meetings and at Motorkhana's, and meeting new members over the next few months. Too busy to attend club functions? Send me an email (gladfish@netspace.net.au), tell me about yourself, may be we could just meet up for a chat and a coffee some time.

From Glad

REAR VIEW MIRROR

July 1978

There is no July edition of "Oil Rag" in the file.

July 1988

Mick's Presidents report was about using appropriate safety equipment and ensuring that it's fitted and used properly. Twenty years on, all the points are still valid. Among the list of new members was the name "Jason Bright", no information on why he joined our club but I suspect he probably competed in some of our popular Autocross events.

July 1998

18th July was listed on the calendar as a "Junior Try out day". I suspect this was probably the first of what have become known as "Come and try days". 1998 was obviously prior to the Email era, as editor Nick had to switch his modem on and his answering machine off to receive the Presidents report faxed from John Carney. It's amazing how far we've come in ten years!

It seems our President Glad Fish and somebody else will get to enjoy a delicious meal at Clover Cottage Restaurant in Berwick as well as a bunch of goodies from Narre Warren Autobarn. That's right! Glad's ticket was the one drawn out at Maffra in our winner take all raffle.

Our thanks go to Greg Wyatt for organizing the whole thing and also to

Clover Cottage in Berwick

and

Narre Warren Autobarn

for there very generous support.

If no answer leave message and I will ring you back

Dear Club members,

I would ask all recipients to circulate this information to all those who would be interested.

It is planned to conduct a Scrutiny Module on the week end of July 5th and 6th (It may be possible to conclude the course on the Saturday but the weekend has been reserved.). The venue is to be confirmed but it is likely to be the usual Melbourne based club facility. On confirmation, hopefully early next week, potential participants will be notified of the venue and this information will also be posted on the website.

Being very much hands on and requiring quite a deal of human and material resources to conduct it the course is normally only staged once a year. It is therefore essential that club members are made aware of his opportunity, as this module is a requirement for any persons wishing to achieve their Bronze level accreditation.

Expressions of interest should be forwarded to bruce.carter@cams.com.au .

Kind regards

Bruce Carter

The George Derrick Memorial Trial

CCRMIT is running Round 4 of the VRC - George Derrick Memorial Trial on the 19 July 2008.

We are currently asking if Car Clubs are willing to command and manage a Stage, and/or fill road closures positions for other stages if required.

Currently there are 9 competitive stages (7 daylight and 2 night) starting approx lunchtime and finishing in the evening.

Location of Rally HQ is Rawson about 2hrs East of Melbourne CBD, and the rally is conducted in the forest highways immediately surrounding Rawson.

Tony Robinson - 0428284655
Officials Coordinator GDMTO

Trophy winners for April and June Motorkhanas.
Except for Simon who didn't win anything but more fans.

JULY GENERAL MEETING

For our July meeting we will be going to Melbourne City Toyota. We've done this the last couple of years and it proved to be an interesting evening, with a brief talk on Toyota from Wayne Stewart (the dealer principal) and some recent rally videos and perhaps a look through the premises, which gives the more technically minded a chance to talk cars. So for something a bit different come along to **621 Elizabeth St. Melbourne** (at that time of day it's easy to park) 8.pm. 3rd July. It also makes it a bit easier for our many Melbourne based members to attend so hopefully the attendance will be a bit better than usual.
